**ORDER**

18-CV-6626 (ALC)(KNF)

The Court has made an in camera review of the affidavits from Olga Panfilova's ("Panfilova") physicians, which appear at Docket Entry No. 314. The affidavits, both dated July 24, 2020, are stale and do not speak to Panfilova's present medical condition. However, according to the affidavit of one of her physicians, Panfilova will be "fit for questioning" in January 2021. As it is now April 2021, and as the defendants have not presented any evidence establishing that Panfilova's present medical condition prevents her from being examined orally at a deposition, there is no reason that she should not be deposed. The plaintiffs shall schedule

Panfilova's deposition expeditiously and advise the Court of the deposition date.
